Windows Computing Options & Pricing

There are many options available when looking to identify and purchase a Windows Desktop or Laptop, or a peripheral to work alongside. And due to the onset of hybrid working these options have increased. This document aims to detail the various Dell Computer options available to you within the Gardens & Museums, some of the more impactful differences, and where to look for further information on these. The options detailed are pieces of equipment that we have used and recommend, taking into consideration cost, use, quality and longevity.

If you are considering purchasing anything within this document, please get in contact via it@museums.ox.ac.uk so we can discuss your needs and identify the best options for you within your budget and utilize existing supplier relationships and University pricing agreements to obtain the best option for you.
